FREQUENTLY ASKED QUESTIONS

How long does it take to get approved?

Apply online and get pre-qualified in minutes! Beautifi can approve your loan and fund your procedure in less than 24hrs.

Will applying affect my credit score?

Applying with Beautifi does not affect your credit score. There is no risk or obligation when submitting an application.

What would my interest rate be?

Your interest rate is based on monthly income, credit history, as well as the loan amount and term length. Our rates start as low as 9.95%.

Do I need to finance the entire amount?

You can choose to finance all or just a portion of your procedure amount.

What can I finance with Beautifi?

You can finance any plastic surgery, cosmetic, dental, or medical procedure.

Can I pay my loan off early?

Yes! We don't like extra fees. You can repay part or all of your loan at any time, with absolutely no pre-payment penalty or fees.

Where can I apply?

Our application is 100% online and only takes a few minutes to complete. You can apply by scanning the QR code or by visiting our website at <https://app.beautifi.com/application>.
